

■ Youngsters in Canning Town had a Diamond Jubilee extravaganza for the Queen and invited all the community to join them. The event, held at Keir Hardie Primary School in Edwin Street, was a memorable occasion for the pupils, their family, and friends as they ate cakes and sandwiches, bopped away on the bouncy castle, had their faces painted and took part in Jubilee-themed competitions. The choir were rehearsing all week for the Diamond Jubilee and gave the adults a rousing medley of Cockney songs.
