

Having fun as favourite fictional figures

■ Staff and pupils from Keir Hardie School dress up for World Book Day

Canning Town pupils celebrated World Book Day in style on Thursday when they dressed up as their favourite characters.

An assembly at Keir Hardie Primary School in Edwin Street commemorated the annual event that encourages children to read.

The whole school dressed up with some pupils choosing to honour classic characters such as the Cat in the Hat, Robin Hood and Snow White. Others brought more modern characters from popular fiction to life including Harry Potter, Where's Wally, Chicken Little and the Smurfs.
