

Are you keen to be green?

FREE Family Workshop

Earn 2 Children's University credits and create your very own sustainable building from recycled materials:

When: Tuesday 25th October 2016
Time: 10.00 - 12.30pm
Where: Siemens Crystal, 1 Siemens Brothers Way, E16 1GB

Come to one of the world's greenest buildings and explore our interactive exhibition on green cities of the future!

Step into the year 2050 with us and learn how to save the planet. Watch thought provoking videos in our two immersive theatres, run your city sustainably for 40 years, calculate your water footprint, breathe in the clean air by our green wall, have a go on our Pavegen squares to power up the lights and see if you can set off our Tesla coil! Fun for the whole family!

10.00	Arrive
10.15	Free time to take a look the exhibition, you'll be given a quiz to fill out.
11.15	'How do buildings around the world use green ideas' a short presentation
11.30	Challenge - Create your own sustainable building from recycled materials (toilet rolls/egg cartons/bubble wrap). Small prize for the most innovative and creative design.
12.30	Close - families free to continue exploring the Crystal.
