### Reading

Your child will be given a new reading book every week, please make sure your child brings in their reading book every day. It is essential that your child reads every day for at least 30 minutes.

Reading doesn’t just have to be their school reading book. Encourage your child to read newspaper articles, comics, library books, recipes or even the back of cereal boxes. As your child’s reading skills develop so will their writing skills. Remember to visit the school library where we have lots of new and exciting books!

In addition to the above, our online reading resource, Bug Club will allow your child to access a range of books online and will directly feed into your child’s learning at school. Please take some time to explore this website. Working together we can improve your child’s reading ability greatly.

The school library is open every day after school and once a week at lunchtime, for a bigger selection of books.

## **Homework**

Your child will be given three pieces of homework every Thursday: one piece of English, based around Spelling; one piece of Numeracy, based around Times Tables and a piece of homework relating to the topic we are covering. Be assured, the homework reflects the work that has been done in class and is explained to the children every Friday. All homework is due in by the following Thursday. As well as this, all pupils will receive a half-termly Project based around the Creative Curriculum which should be completed and handed in by the end of the half term. Homework club will continue every Monday, where your child can come and complete their homework. We urge you to make sure your child attends homework club as the staff supporting them will be able to help them with their work.

## **PE**
