Comments/suggestions

- Music lessons and instrument learning would be good
- Would prefer communication channels to include email as well as phone contacts
- Need to improve quality of teaching, sort out children who come to school late, more activities during playtime
- School should have extra support for children doing well in school and bright children e.g. one lesson outside school hours with specialist teacher
- Improve IT
- More regular progress reports and child to understand performance and how to improve
- Children should be nicer
