This meeting's business:

Class Meetings (Topic: Educational Visits)

- 6B, 1V, 3I were not able to have their meetings. BP to speak to class teachers.
- When you go to a museum you can write about things you see there.
- It will help those who are struggling to understand a topic
- Visits are educational and help us learn and to have a better understanding and work together.
- They help us to understand our topics better and learning is more fun.
- We get to learn about other faiths by visiting places of worship.
- To get more done, we should leave earlier and make the most of the day.

Badges or lanyards?

- School council vote for lanyards. SB to order yellow tags.
- Make the name stand out more (Lara).

School Council Display

- Lara and Wesley brought design. Deadline extended by 1 week.

Harvest collection

- Miss Phillips to write letter on behalf of School Council.
- Councillors to collect food in their classes and put on harvest table.

Fundraising for a new air mat

- Brendon suggests we get air mats out after school for a bounce session. We could charge £1.50 for for 30 minutes. School council to support with adults.

Any other business:

- 2K, 2B in PE.
- **Asi:** Children in our class want to change lunch back to an hour.
- **Asi:** we need more wet play toys.
- **Brendon:** In my class people are saying that lunch food is not nice. There is often not a choice food left for us as we go last.

- **Lara:** We would like more pies and put the salad or veg next to the burger, not inside.
- **Natasha:** Fundraise for air mat.
- **Lara:** We need more to do in the square. Possibly equipment e.g. a slide.
- **Hadja:** Sports leaders say relays are unfair as people keep knocking down the hurdles.
- **Divine:** Different handwriting pens.
- **Aileen:** More cupboard space to fit our coats and bags. The cupboards are too full and messy.
- **Luna:** We need thicker, longer reading books in year 6. The books are too easy.

Date of next meeting: Wednesday 1st November
