This meeting's business:

School Dinners:

Lara: Our class thought that the chicken wasn't always cooked enough and that sometimes the food might not be hygienic enough. I think that maybe sometimes people find hair in their food.

Luna: Our class said that the cutlery is sometimes dirty.

Destiny: We could write a letter to tell the cook what is wrong.

Hannah: Some of year 5 complained that they do not get enough food because we are last. The food is not cooked properly. Sometimes the chicken is red/pink.

Brendon: A good system could be if the day before we order what we want. We each get a band with the colour that matches a meal. We can only have that food we have the band for. Then the cook will know how much to cook the day before and we all get what we want.

Malik: We should have some food cooked by children in the lunches. Maybe a cooking club.

Tree stars

We are selling Richard House stars because we want to help people who are poor, in hospital or need help through fund raising. We want to help because it is a nice thing to do and other people do not have the same opportunities as us.

New Lanyards

Devine: I like them because I like being recognised as a school councillor.

Maria: If we wear them, other people know who can help them and what we do.

Lara: If we lose the lanyard, unlike the badges, people know who to give it back to.

Malik: I don't always like the lanyard because when I am in class people are taking it off of me and play catch. The teacher doesn't do anything about it.

Jaden: Even though I like being recognised but people keep trying to look at it and it is annoying.

Brendon: people bothered me at first, but they have lost interest now so it is OK.

Darius: I agree with Jaden and Brendon. People are annoying me.

Any other business: School Council will not have a stall at the Winter fare.

Date of next meeting: 2018
