## School Council Meeting Agenda

**Venue:** Downstairs Office

**Date:** Thursday 7<sup>th</sup> December

**Time:** 2.30-3.15pm

**Adult:** Miss Phillips Mr Gunyon

### **This meeting's business:**

#### **School Dinners:**

**L:** Our class thought that the chicken wasn't always cooked enough and that sometimes the food might not be hygienic enough. I think that maybe sometimes people find hair in their food.

**Lu:** Our class said that the cutlery is sometimes dirty.

**D:** We could write a letter to tell the cook what is wrong.

**H:** Some of year 5 complained that they do not get enough food because we are last. The food is not cooked properly. Sometimes the chicken is red/pink.

**B:** A good system could be if the day before we order what we want. We each get a band with the colour that matches a meal. We can only have that food we have the band for. Then the cook will know how much to cook the day before and we all get what we want.

**M:** We should have some food cooked by children in the lunches. Maybe a cooking club.

#### **Tree stars**

We are selling Richard House stars because we want to help people who are poor, in hospital or need help through fund raising. We want to help because it is a nice thing to do and other people do not have the same opportunities as us.

#### **New Lanyards**

**D:** I like them because I like being recognised as a school councillor.

**M:** If we wear them, other people know who can help them and what we do.

**L:** If we lose the lanyard, unlike the badges, people know who to give it back to.

**M:** I don't always like the lanyard because when I am in class people are taking it off of me and play catch. The teacher doesn't do anything about it.

**J:** Even though I like being recognised but people keep trying to look at it and it is annoying.

Brendon: people bothered me at first, but they have lost interest now so it is OK.

**Darius:** I agree with Jaden and Brendon. People are annoying me.

**Any other business:** School Council will not have a stall at the Winter fare.

**Date of next meeting:** 2018
