

Dear Parent/ Carer,

Thank you for the support and engagement during this difficult period. As you know, we are about to break for a summer holiday and to help support our pupils further we have a list of interesting maths activities and challenges for our pupils. We hope it is useful in supporting you to help your children.

The first one is a list of fantastic maths challenges by White Rose Maths. These booklets can also be found on [Amazon for the Kindle](https://www.amazon.co.uk/dp/B083333333).

https://whiterosemaths.com/resources/primary-resources/parent-workbooks/?utm_medium=email&utm_source=sharpspring&sslid=MzcwdjS1MDQ0Mjk1BAA&sseid=Mzlw7Q012NgQA&jobid=7756b59c-6bf7-4678-aae1-dc29b3e839bf

You can search by topic and year group. It includes answers so you don't have to work it out!

Also, BBC Skillswise have on their website amazing maths resources, which includes videos for 5 – 7 year olds (<https://www.bbc.co.uk/teach/ks1-maths/zhng7nb>) and <https://www.bbc.co.uk/teach/ks2-maths/zm9my9q> for 11 year olds.

As a school, we have subscribed to Discovery Education, where children can have access to videos, interactive activities, games and many more... To access the website please copy and paste this link

<https://www.discoveryeducation.co.uk/what-we-offer/discovery-education-espresso>

The username is: student20675 and the password is khp889

In addition to that, you can also play Maths games on Sumdog (the log in details have already been given to pupils) and use Mental Maths 5 a day.

You can track your child's progress by using the tracking sheet below. We hope that helps! Have a wonderful break and see you soon!

Mental Maths *5 a day*.

Holiday record. Revise all work for the year your child has just completed.
