

# SUMMER MUSIC CHALLENGE

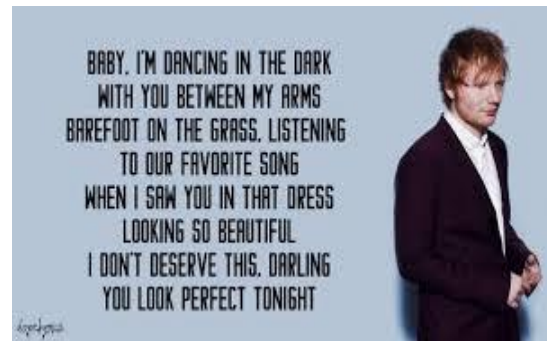

## AIMS:

Write your own song/ rap lyrics

Create your own song/ rap about Covid-19 and how you were/ are feeling

Or create your own song about something you feel passionate about

## Task:

Music is a great way for people to share their feelings and emotions of which they feel very strongly about. There are songs/ raps about love, friends staying strong and life in general. Choose either a well-known tune from an existing song/ rap, or compose your own piece of music. Create your own lyrics and record your song and perform/ or share your song/ rap with your family.

## Presentation:

Upload the lyrics/ composition onto a USB/ memory stick to share with school, this could be just the lyrics (but let us know to which tune) written out or the whole performance on video.

Enjoy the process of composing!
