Thursday 5th November 2020

Dear Parent/Carers,

Every poppy makes a difference to the lives of our Armed Forces community.

Like so many things this year, the Poppy Appeal has had to adapt to the threat of Covid-19. The Royal British Legion are calling on the public to support them like never before, because every poppy counts.

As millions of people across the UK are now unable to leave their homes to find a poppy, and with collectors unable to carry out face to face collections, they have arranged an Every poppy counts campaign.

The children have been assigned the task of making a poppy at home, displaying it in a window at home and taking a picture of it. The picture they will upload to the google class and we will then share what we have done on our school website.

There are also a few videos you can watch with your children at home.
