

**COVID-19:  
KEEPING  
SAFE  
ONLINE**

# **DIGITAL PARENTING WEBINARS**

Created by Digital Awareness UK, supported by Vodafone.

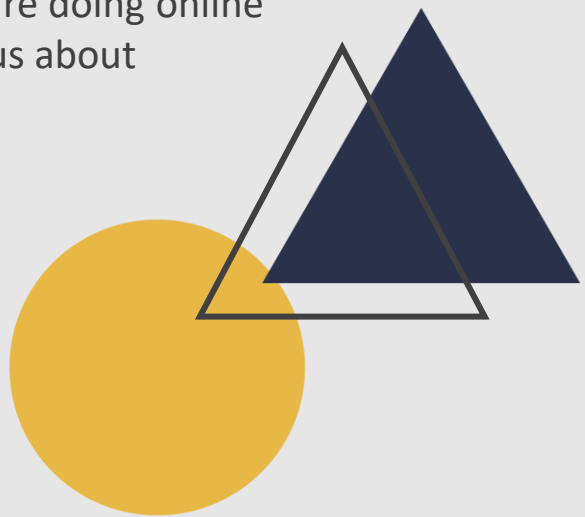

# DIGITAL PARENTING WEBINARS

Leading online safety organisation, Digital Awareness UK, are offering select schools and organisations across the country a FREE '**Keeping Children Safe Online During Covid-19**' webinar for parents and carers.

Our webinars leave parents feeling able to confidently navigate the increasingly complex and ever evolving world of online safety. This is achieved through the real life case studies we share about what our students are doing online and the success stories parents share with us about effective digital parenting.

- ✓ The latest apps and online trends
- ✓ A look at critical topics such as sexting and screen time
- ✓ Plenty of tips and guidance for parents
- ✓ Q&A with an online safety expert
