

Nursery Easter Homework

Hi Nursery,

We hope you have a well deserved holiday.

Nursery have attached some activities linked to Easter and our Summer 1 topic "Living things" :-

- Now the sun is shining we want you to explore your garden or local green area and go for a bug hunt. Record or take photos of the bugs you spot, and any bugs that are not on the sheet!
- You also have a template of an Easter Egg (Although you can make your own outline) and we want you to use a range of materials to design your egg. You could use mark making materials, tin foil, buttons, string...anything you like. Talk about the process of designing your egg and which materials worked best for you to achieve your idea.
- We would also like you to create a journal of what you got up to during the break. Talk about the things you did in and out of the home and adults to model days of the week and ordinal/sequential language such as first, next, after,

before etc. Mark make and begin to apply your knowledge of sounds from phonics in your writing where you can.

- If you also have the chance we want you to plant a bean using a ziplock bag, tissue and a bean. All you need to do is place the beans in wet folded tissue, ensuring the beans are inside the fold of the tissue. Place the bean in a ziplock bag and stick it to a window. In a few days you will start to see the bean sprout. Talk about what you can see including the root, stem and leaves. Bring any sprouted beans to class after the holiday. We plan to plant them in Nursery!
- Finally you will see our magic moments chart. This is a selection of activities that Nursery children should get to experience at their young age. Try and fulfill as many as you can, taking pictures or collecting objects from these experiences to share at school.

Have fun and see you all soon!

Mrs Ile and Ms Chapman

Bug Hunt Checklist

Check the bugs that you have found!

		
spider	slug	beetle
		
grasshopper	earwig	snail
		
millipede	fly	bee
		
roly-poly	butterfly	wasp
		
ladybug	dragonfly	ant
		
worm	caterpillar	

Design Your Own Easter Egg
