

Keir Hardie Newsletter

Dear Parent/Carers,

This is the last newsletter before the end of the school year so the first thing we would like to do is thank you for your ongoing support and many kindnesses. It has been a challenging time for everyone but by working together, we have made it to the end of the school year! The pupils have been amazing and we are very proud of their good humour, big hearts and resilience. They make our jobs worthwhile.

We will be writing to you at the end of August (just in case of any changes in the government guidance) with the full details for the arrangements for the start of the new school year in September. Pupils will be back to school on **Monday 6th September**.

We wish you a happy and healthy summer, enjoy the sunshine!

Goodbye & Congratulations!

It is with a huge amount of gratitude, pride and a hint of sadness that we will be saying goodbye to two members of our Keir Hardie family, Mrs Singh and Miss Boateng. We would like to say massive thank you for their commitment, dedication and hard work, and wish them all the very best in their next endeavours as a Headteacher and Trainee Teacher respectively.

Summer Reading Challenge

We're sure many of you are familiar with the Summer Reading Challenge run by local libraries, but in case you're not: The Summer Reading Challenge takes place each summer, it is both a celebration of reading and loving books. It's aimed at 4-11-year olds, and they get to choose which books they read as part of the challenge. Alongside reading, our libraries will also be hosting activities in person and online. Participants have a chance to win goodies and a medal of completion.

This year's theme is Wild World Heroes. The Wild World Heroes are a group of youngsters who come together to clean up and protect their neighbourhood. Through these characters, the challenge will explore how young people can become environmental activists.
