

Keir Hardie Primary School

Autumn Term 2022

First of all, we would like to welcome you back to a new academic year. We hope that you all had a restful holiday, and had a chance to relax and re-charge the batteries. We have had a very successful year last year and we want to thank all the parents/ carers who have been supporting their children with homework assignments during the summer holidays.

Dates for Autumn Term

Focus Weeks:

- Heritage Week 17-10-2022
- Rights and Respect Week 14-11-2021

Other dates:

- 21-09-2022 Lambourne End trip
- 29-9-2022 Y2 Meet and Greet [Virtual]
- 7-11-2022 Individual Photographs
- 9-11-2022—Flu vaccinations
- Parents Evening (TBC—November 2022)
- 21-11-2022 Assessment Week

Holiday Dates:

- Half Term - Monday 24th October till Friday 28th October 2022
- Christmas Holidays—Wednesday 21st December 2022 (1:00 finish) till Wednesday 4th January 2023

Curriculum

English - Children will write narratives, changing setting and characters as part of the 'Talk for Writing' scheme.

Maths - Children will develop their understanding of numbers and recognising the place value of each digit and developing their understanding of identifying and representing numbers.

Science - The children will focus on living things and their habitats. Exploring and comparing the differences between things that are living, dead and things that have never been alive.

History - In our Great Fire of London topic, they will learn about our city of London.

Geography - The children will be exploring mapping using directional language and compass points which will be linked to our educational trip to Lambourne End.

Art - They will be using a range of materials to design their own collage of The Great Fire of London.

D&T - Children will be designing their own coins using 3D printing to support their learning of money in maths.

PSHE - Our topic this term is relationships. They will be learning about belonging to a community, making friends and building safe relationships.

RE - The children will be learning where did the world come from and how we look after it.

PE - They will work on their basic movements including running, jumping, throwing and catching.

Computing - They will be learning about online safety and using bluebots to understand coding.

Music - The children will be learning about and singing reggae. They will also be using music knowledge in their Christmas production.

Educational Visits

We are looking forward to enhance and enrich our curriculum with exciting educational visits this term. School will continue to subsidise these visits with up to 40% of the total cost. Parents and carers are able to pay large contributions in instalments, to cover their part of the cost. You will be informed of any visits, with a high cost, in advance. Please speak to your child's class teacher if you have any queries. We already have an exciting visit booked to Lambourne End

PE Dates

On the days that they have PE, pupils should come to school in their PE kit. They should wear their house T-Shirts, tracksuits (as most of the PE will be done outside) and appropriate footwear. Pupils should not be wearing any jewellery as this may cause harm.

Your child's PE days are:

1. Tuesday
2. Thursday

Homework

Homework is a very important part of your child's education. It is usually linked to what your child has learned that week or in preparation for something they are going to learn. Your child will need support from an adult to read and fully understand what he/she needs to do. Homework is given to the children Friday and they are expected to hand it in the following Thursday. To encourage the completion of homework in a positive way, we will give a reward at the end of each half term, to the children who have completed all homework activities.

From time to time, we will also set the children a project to complete at home linked to the foundation subjects or Science. This is a great opportunity for you to work on a fun and creative project with your child.

Note: School will provide homework support on Monday after school from 3:15 till 4:15, which will start from Monday 19th September 2021.

Pupil Support

Due to the pandemic, some pupils continue to have some gaps in their learning. In order to narrow these gaps, school will provide support for pupils before and after school and during the school day. Your child may be asked to come into school at 8:30 to work on particular areas they find challenging in order to narrow these gaps. The morning sessions are from Monday to Thursday.

Parent/pupil information

As we do every year, we will be checking with you that all the details we have on our system for you and your child are accurate. This includes contact numbers, address, emergency contacts and medical details. If there are any changes, then please let us know. It is very important that the information we hold on pupils and parents is up-to-date and correct.

Keeping up to date through ClassDojo

Parent/ carer feedback indicated that we could have even better communication between home and school. As a result, we have now signed up all classes and year groups to ClassDojo. Please download the app (both for Apple and iOS phones) and you will receive instant updates on how your child is doing with regards to Dojo points. You can also upload any homework or video clips of you and your child working together at home. This is the logo to look out for in the app-store.

Please **do not** use ClassDojo to report your child absent or who will collect your child after school. Please inform the office of any absences and speak to the class teacher in person regarding any changes for collecting your child at the end of the day.

Uniform

Please ensure that your child's name is clearly labelled in all of their uniform. Your child should take responsibility for looking after their belongings, particularly in the playground. If you find you have the wrong item of clothing returned to you, please bring it to your child's teacher and we will endeavor to return the correct items. If a coat, jumper or other item is left in the playground, it will be taken to lost property, which is accessible through the school office.

Please speak to the class teachers by the gates or call the school if you have any questions or concerns. Please make sure your child is in school everyday and on time to ensure they don't miss out on valuable learning. Remember - school attendance is compulsory.

Thank you for your continued support.

Mrs Bangura and Ms Khatri
