Green Words

These words can be decoded. This means that the sounds can be 'Fred talked' and blended together to read the word.

Now that your child has begun to learn 'Special Friends' they should:

Step 1
Say the 'Special Friends' sound

Step 2
'Fred talk' all of the sounds

Step 3
Blend the sounds together to read the word

Red words

A red word is a **word that you can not sound out phonetically** (Fred Talk) for example - go, my, all, the, said.

We teach the children to understand that in red words some of the letters make a different sound to what we would expect.

As your child works up through the books, the red words will become more challenging.

Here are the red words your child should practise for Yellow group.
Remember to practise previously learned red words.
