School Council Agenda

Agreed Actions/ Next Steps

Agenda 1:- Swap Shop- raising money for wet play equipment

School councillors discussed wet play including the quality of activities and equipment. Councillors highlighted a lack of consistency and range of activities across classes such as some classes having access to IT, board games or only having scrap paper.

Councillors also highlighted that some board games available are outdated, having missing pieces or suffering from wear and tear.

PTA will wash and sell unclaimed lost property for a reduced price to our school community.

Funds raised will be used to buy new wet-play equipment throughout the school.

School councillors will share Swap Shop idea and ask classmates how wet play is like in individual classes.

They will ask:

What is going well?

What is not going well?

What equipment/activities are available?

What equipment/activities could we purchase?

School councillors to visit Year 1 and EYFS to ask for wet play ideas.

Recording sheet to be provided to school councillors via Google Classroom
