Absent:

Theme: Supporting the school and wider community

School Council Agenda

Deft.space/AR Urbanism workshop and competition

School councillors met with Deft.Space and AR Urbanism which are both companies within the architectural and urban planning industry. They discussed ideas from the local walk that took place and areas which may be updated to meet the needs of the community.

Using art and design materials school councillors brought their ideas to life and discussed how their community spaces could be used.

Deft.Space and AR Urbanism have also set up a school wide community project for children to share ideas for a new playspace for Canning Town. Top ideas will win a 1st, 2nd or 3rd place prize. Competition letters have been shared with staff and parent mail.

School lunch survey and Juniper

Year 2 and 3 school councillors will work alongside 6 pupil lunch time helpers to give feedback on the Summer lunch menu. On April 26 they will have a Food tasting session with Juniper and give feedback on what food children enjoy, what they Noticed has been popular or often wasted when Lunch trays have been cleared. Following the Food tasting school councillors and lunch helpers Will feed back food and ingredients to pupils and conduct a survey on what meals they would like to see on the school menu.

Agreed Actions/ Next Steps

School councillors will meet in Summer 1 to look at ideas and share them with Deft.Space and AR Urbanism.

Next school council meeting with lunch time monitors: WB 21/4/23
