Phonics

Every child in Year 1 attends a phonics group every morning from 9.00- 9.40. Children are regularly assessed by the Phonics Lead to ensure that they are placed in the appropriate group according to their progress.

In June 2024, all Year 1 children are nationally assessed to reflect their attainment in this area of their reading. This is called 'Phonics Screening'. Children will be asked to decode real and non-real words, using their phonic knowledge.

Ms Nguyen, the phonics lead teacher, will organise a meeting for parents, where you can ask questions and you will be supported with strategies to help your child at home.
