

Keir Hardie Primary School

Autumn Term 2023

We hope that you all had a restful holiday, and had a chance to relax and re-charge the batteries. We would like to welcome you back to a new academic year. We have had a very successful year last year with our Ofsted visit and end of Key Stage 2 results. We want to thank all the parents/ carers who have been supporting their children with homework assignments during the summer holidays.

Dates for Autumn Term

Focus Weeks:

- Heritage Week 16-10-2023

- Half Term - Monday 23th October till Friday 27th October 2023
- Christmas Holidays—Wednesday 20-12-2023 (1:00 finish) till Wednesday 4th January 2024

Curriculum

English - During the Autumn term, Year 4 will be learning to write about settings based on two separate books. We will be following the 'Talk for Writing' programme of study.

Maths— In Maths this term, we will be looking at numbers, including place value, addition, and subtraction as well as measurements.

Science—In Science, we will be looking at living things and their habitats as well as animals (including humans). We will explore key vocabulary and develop our research and oracy skills.

History— In History, we will be looking at the Anglo-Saxons. We are excited to be taking part in 'History off the page'.

Geography— We will be studying the equator using maps, atlases and digital/computer mapping.

Art - Year 4's will be working with different media and exploring the impact of them in a piece of work. The style we will be learning is 'batik' embroidery and will have a cross curricular link to the Vikings.

D&T - In DT, we are excited to be designing and creating a key ring, biscuit cutter or a toy using a 3D printer!

PSHE— For PSHE, we will be focusing on how to build positive friendships, building safe relationships and how to respond to hurtful behavior and respecting ourselves.

RE— Year 4's will be looking at what makes me the person I am in RE as well as different religions in our neighborhood.

PE— For PE, we will be focusing on athletics, cricket, tag rugby and football.

Computing— In computing, we will be looking at online spamming and coding games.

Music — In Music, we will be learning about country music as well as preparing for our Christmas performance.

Educational Visits

We are looking forward to enhance and enrich our curriculum with exciting educational visits this term. School will continue to subsidise these visits with up to 40% of the total cost. Parents and carers are able to pay large contributions in instalments, to cover their part of the cost. You will be informed of any visits, with a high cost, in advance. Please speak to your child's class teacher if you have any queries.

PE Dates

On the days that they have PE, pupils should come to school in their PE kit. They should wear their house T-Shirts, tracksuits (as most of the PE will be done outside) and appropriate footwear. Pupils should not be wearing any jewellery as this may cause harm.

Your child's PE days are:

1. Tuesday
2. Friday

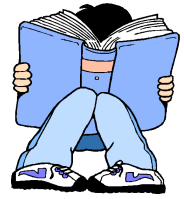

Homework

Homework is a very important part of your child's education. It is usually linked to what your child has learned that week or in preparation for something they are going to learn. Your child will need support from an adult to read and fully understand what he/she needs to do. Homework is given to the children on Friday and they are expected to hand it in the following Thursday. To encourage the completion of homework in a positive way, we will give a reward at the end of each half term, to the children who have completed all homework activities.

From time to time, we will also set the children a project to complete at home linked to the foundation subjects or Science. This is a great opportunity for you to work on a fun and creative project with your child.

Note: School will provide homework support on a day to be confirmed after school from 3:15 till 4:15 which will start from the week beginning 25th September 2023.

Pupil Support

Some pupils continue to have some gaps in their learning. In order to narrow these gaps, school will provide support for pupils before and after school and during the school day. Your child may be asked to come into school at 8:30 to work on particular areas they find challenging in order to narrow these gaps. The morning sessions are from Monday to Thursday. If your child is unable to attend the sessions regularly, their place will be given to another pupil.

Parent/pupil information

As we do every year, we will be checking with you that all the details we have on our system for you and your child are accurate. This includes contact numbers, address, emergency contacts and medical details. If there are any changes, then please let us know. It is very important that the information we hold on pupils and parents is up-to-date and correct.

Keeping up to date through ClassDojo

All classes will communicate any messages with you on ClassDojo. If you have not done so, please download the app (both for Apple and iOS phones) and you will receive instant updates on how your child is doing with regards to Dojo points, educational visits and class information. You can also upload any homework or video clips of you and your child working together at home. This is the logo to look out for in the app-store.

Please **do not** use ClassDojo to report your child absent or who will collect your child after school. Please inform the office of any absences and speak to the class teacher in person regarding any changes for collecting your child at the end of the day.

Uniform

Please ensure that your child's name is clearly labelled in all of their uniform. Your child should take responsibility for looking after their belongings, particularly in the playground. If you find you have the wrong item of clothing returned to you, please bring it to your child's teacher and we will endeavor to return the correct items. If a coat, jumper or other item is left in the playground, it will be taken to lost property, which is accessible through the school office.

Please speak to the class teachers by the gates or call the school if you have any questions or concerns. Please make sure your child is in school everyday and on time to ensure they don't miss out on valuable learning. Remember - school attendance is compulsory.

Thank you for your continued support.
