

Inspiring Excellence Keir Hardie Newsletter

X@KeirHardiePS

Dear Parent/Carers, once again it has been a MAGIC filled Autumn 1 half Term. We are delighted to share the fantastic learning experiences that have taken place so far at Keir Hardie. I would like to thank you for all your continued support and encouragement during the beginning of this academic year and wish you all a restful half term break. We look forward to welcoming everyone back on Monday 30th October.

New Attendance Information

The London Borough of Newham and Department of Education has introduced new attendance information for schools to put into practice.

As from this Term we are following new guideline from Newham Attendance Support Service:

- Inform parents when attendance is **below 95%** by sending out a School Attendance Concern Letter 1.

To make parents aware of their child's current attendance, inform school of any concerns. As a school community will work together to overcome any barriers and improve attendance.

Where parents have provide medical evidence for absences, no further action will be taken.

The school attendance policy is currently being updated with this information and will be available on the school website.

The Governing Board, staff and pupils say farewell

We are saying goodbye to Ms Tromp who is retiring. Ms Tromp has been a member of the Keir Hardie family for over 10 years. We would like to say a heartfelt thank you to Ms Tromp for her commitment and hard work and wish her a very Happy Retirement.

Keeping children safe in the dark

As the clocks go back an hour and as the nights draw in, it is an overnight adjustment for all of us keeping children safe in the dark. The darker evenings can have a big impact. However, our routines of picking up children from playdates or afterschool clubs, cycling home from work or taking the dog out for a walk all continue. These common daily activities can be very different experiences in the dark.

Take a look at the following websites for simple steps on how to stay safe in the dark:

First Aid for Life Cycle Training

Children's Accident Prevention Trust - Be Bright Be Seen

Keir Hardie Loves Reading

Keir Hardie is a Reading School, we want our pupils to be passionate about reading. There are wonderful spaces across the school to pick up a book and read including; classroom reading corners, the wellbeing reading hut and our school library. The school library is open after school on Tuesdays between 3:15 - 3:45pm for pupils to visit.

The school reading lead, Ms Nguyen, would like to say a big thank you to the parents/carers who attended the reading workshop.

Please encourage your child to read for at least 20 minutes a day. The Half Term break is a great opportunity to delve into a new book or visit a library.

To find out more about libraries in Newham, please click here: Newham Library Information.

OCTOBER HALF

TERM PROGRAMME

Join us this half term for free activities in the DATES: parks for children and young people. This half term we will be based in our Multiuse Games Areas (MUGA's) across 5 parks. As part of our activity programme we want to hear your thoughts on how these great spaces could be improved. So come down and chat to us and try a variety of sports including Football, Basketball, Handball, Baseball/Softball, Cricket, Netball and Tennis! We will also be running fun mini activities for little ones, including: Mini
