Present: 2I,2R, 3H, 3A, 4R, 4D, 5I, 5E,

Absent: 6S, 6P

Theme: Supporting the school and wider community

School Council Agenda

School council meet for first time

The school councillors all met for the first time. They shared their school council visions and discussed the roles, responsibilities and expectations of being a pupil leader.

They were all enthusiastic and excited to make changes in the school community!

The Big Vote- People Powered Places

The school council looked at Newham's Big Vote where Newham residents and employees can vote for community projects to get Newham funding.

The school council were very enthusiastic about the projects, particularly family cooking workshops and community kitchens which may help families to access affordable meals in a climate of rising bills.

The school council were also interested in voting for the Riverside church garden as this may help community members know how to grow and prepare food.

The Eco-motive group also aims at supporting sustainable and healthier living in Canning Town/Custom House by working together to ensure community spaces are clean and safe to use. They encourage our Keir Hardie community to sign up and vote for these projects. You will be able to **vote for up to 10 projects** of your choice!
